October 29, 2020

Dear Parents and Families,

This letter will help your family prepare should our school or school district have a COVID-19 event occur. Events may include positive cases, outbreaks or exposures. It is important to know that currently there are no positive cases in our school community. However, we want you to know that your health and safety is our top priority.

We are partnering closely with local public health officials and they will provide support and direction for managing COVID-19 related scenarios that impact our school community.

When an event occurs in our school or district you will receive information via (email, alert, Facebook, website). Our district website will have the most up to date information.

We want our community to protect themselves against COVID-19. Here are some ways to protect your family:

- ✓ Keep children who are sick at home. Don't send them to school.
- ✓ Teach your children to wash hands with soap and water for 20 seconds. Be sure to set a good example at home.
- ✓ Teach children to cover coughs and sneezes with tissues or by coughing into the inside of your elbow.
- ✓ Teach your children to safely distance from other people. (Six feet away)
- ✓ People who are sick should stay home from work or school and avoid other people until they are better. (no symptoms for 24 hours) If you have questions, please contact our school nurses via email (on website), your healthcare provider, or your local board of health or check the CDC website.
- ✓ Support and encourage the use of masks and wearing them correctly.

More information can be found on [the Oregon Department of Education's Ready Schools, Safe Learners Page](#), [the Oregon Health Authority's COVID-19 page](#). If you have any questions, please contact our district office @ 541-348-2455.

Respectfully,

Steve Perkins  
Superintendent  
Port Orford-Langlois Public Schools
