

## **Update on 2CJ Reopening School Plan**

### **August 14, 2020**

At today's School Board Meeting, POLSD reopening plan was presented.

There will be a mailing of the plan, registration dates, and the new school calendar to last year's enrolled families early next week. We will also post the items in the mailing on the Facebook page and our website. The mailing will be sent out via Remind as well.

Here are the major parts of our reopening plan:

- 1) School starts for ALL students on Monday, Sept. 14, regardless if in-person or online.
- 2) K - 12 registration for the 2020 - 2021 school year is August 24 - 26 from 9am - 3pm at Driftwood Elementary School. We will not have any registration at Pacific. Registration will be pick up and return to either Pacific or Driftwood by August 28.
- 3) Families will be able to choose in - person (if they would like it when we are able to return) or online schooling through POLSD at registration.
- 4) Grades K - 6, whether in person or online, will at this time be taught by a 2CJ teacher. We will be using the Edgenuity online platform for all K - 6 students, with our 2CJ teachers teaching all classes.
- 5) Grades 7 - 12, whether in person or online, will at this time be taught by a 2CJ teacher. We will be using Google Classroom to provide classes.
- 6) We will start in - person instruction for the following grades at the following dates, provided the county metrics are met:  
Grades K - 3 -- September 14 @ Driftwood  
Grades 4 - 6 -- November 2 @ Driftwood  
Grades 7 - 8 -- November 30 @ Pacific  
Grades 9 - 12 -- December 7 @ Pacific
- 7) If a student is attending in - person, a face covering is mandatory. All staff will be required to wear a face covering.
- 8) Every student will receive a Chromebook for their use during the school year.
- 9) All schools are required by the state to track attendance, whether the student is online or in - person. However, how we track will look different than in the past. POLSD will provide an attendance policy for students in the coming weeks.

Our operational blueprints, as well as POLSD Comprehensive Communicable Disease Plan, can be found on our website at <http://www.2cj.com>.

We will have more in depth information next week. Please stay tuned for more updates.
