November 17, 2020

Dear Parents/Guardians:

Due to the damage that caused the power outage at Driftwood, we will be unable to have in – person school the rest of this week. We will be working with electricians and Coos Curry Electric to help restore power to Driftwood. We are planning for an in – person return on **Tuesday, December 1st**, but that date may change based on how quickly the power can be restored.

Please visit our website, www.2cj.com, our Facebook page, and Remind, as that is how we will be sending out information regarding when we will be returning to in – person instruction.

Your child's teacher will be emailing you and/or your student **TODAY** regarding classroom work and class Google Meets for the rest of this week. Your child's Chromebook was sent home with them today to help with this transition. If your child was absent from school today, please call Pacific High School at (541) 348 – 2293 to make arrangements to pick up their Chromebook.

Nicola will be at Pacific the rest of this week to help answer any questions you may have regarding school. Also, teachers will be working remotely and are available via email from 8am – 3:30pm the rest of this week.

We will not be having meal service at either Driftwood or Pacific for the rest of this week due to no power at Driftwood kitchen.

Next week, school is not in session due to Thanksgiving break. We wish all of our families a safe and happy holiday.

Thank you again for your patience during this time. The past couple of weeks with the students back in school have been amazing. I know that there were some students disappointed that they had to go home today, but please let them know that we will be doing everything we can to get them back to Driftwood as soon as possible.

Sincerely,

Krista Nieraeth
Principal
